

Borealis

The Monthly Journal of Northern Michigan Mensa

Borealis is published by Northern Michigan Mensa (3/496) once each month under the auspices of its Executive Committee.

After mandatory items, priority in the newsletter is given to matters appealing to members of the group which relate to their membership in Mensa. The content of the newsletter shall appeal to the general membership of Northern Michigan Mensa.

The newsletter shall not include matters which are indecent, scandalous, libelous, or invade someone's privacy, nor shall copyrighted material be used without the permission of the owner. Ethnic, racist, sexist, or religious slurs shall not be printed. Bad jokes are allowed. Northern Michigan Mensa recognizes that the newsletter is addressed to both minors and adults; material printed will be appropriate for distribution to minors.

All matters submitted to the editor shall be subject to editing for content, style, and space limitations, except that if a person submits material with a restriction that it be published "as is or not at all." That a person has written and submitted something to the newsletter is not, in itself, sufficient reason for its publication.

Submissions are not only welcome, the editor will buy you a coffee at the next TGIF if you help him out.

Members of Northern Michigan Mensa may send their original writing submissions to *Borealis*.

Please do not send the work of others unless such submissions are accompanied by written permission and release of copyright from the author.

Writing:

1. Submit writing that can be edited for length and clarity, but not content. *This will be the default editorial assumption unless the author indicates otherwise.*

2. Writing may be submitted to be published only as it is. If writing is submitted "as is or not at all" it will not be edited in any way, and if published, will appear with an editor's note indicating it is wholly the work of the author.

3. Writing that is rough and needs major editing may also be submitted. If you have written something but don't have time to polish and edit it, you can still submit it and, at your request, I will give it extra help.

ALL. Writing and letters may be submitted by email as an attachment or as the message body itself. Typed pages and letters can be mailed.

Photographs:

Photographs and other scanned artwork can be submitted via email as JPEG or GIF files. Data should be at least 3x5 inches at 200 PPI. Digital camera files may be sent right from the camera; they will be processed for publication.

Flat art or photographs can also be mailed, but please do not send originals. Please label each piece submitted with your name and address.

Please bring a dish to pass, such as salad, dessert, or hot dish to feed approximately 8 people. Please call me, Sherry, at 933-9272 with confirmation and the dish you intend to bring so I can let our host and hostess have an idea of the number of people to expect. Other “Goodies” were the Paris Hotel atmosphere and the fact that I was actually a \$20 winner on the slot machines.

The Bad - With the lack of food other than minor munchies in Hospitality, din-

ing around was extremely expensive. There were some bargains to be found, but they were not readily advertised. Also, the heat of the day and the cost of taxicabs prohibited external excursions of much length or distance.

The Ugly - Arriving early in the week, I attempted to use the local trolley that runs up and down the strip. First I had to wait in the heat for 48 minutes for the arrival of the trolley that supposedly runs every 15 minutes. By the time it arrived, it was pretty well packed and everyone was constantly badgered by the driver to move to the back to make room; nothing like 65 people on a 40-person bus. This half-hour trip managed to take a little over 2 hours.

All things considered though, it was a pretty good AG. The last attendance count I heard was slightly over 1800 people, the largest gathering of Mensans ever. I'm already looking forward to the 2005 Annual Gathering scheduled for 6 - 10 July in my hometown of New Orleans.

On a final note, the NomCom is reviewing candidates for next year's elections. I met with members of this committee regarding my aspiration to serve the AMC in the position of Treasurer. With the successful completion of ProxyQuest, I sincerely hope those of you who voted for our Certificate of Incorporation change will also voice your desires in this upcoming election. Your votes ARE important.

Just Sweet, No Sorrow

THIS IS MY LAST ISSUE of *Borealis*. On July 7, I received an email from Sherry asking for another copy of the July Issue. It was only then that I realized I had missed the change of the month. I was out of town working, not scheduled to return for several days. There wasn't going to be a July. After a few nights filled with those dreams where you are back in college and there's a test (You are late, the test is in French, you haven't been to class in three weeks, you realize you are in your underwear. . .), I realized it really was time for me to hand this off.

As I prepare this very thin August issue, I can see that my lack of enthusiasm has tainted the pool of submissions. There is little to include. Soon you will have a new editor. I don't know who that will be, but I encourage you to write and submit often. This newsletter is only as good as the submissions.

To those of you who have helped me with your words and your encouragement I have nothing but gratitude. Perhaps I'll see you soon at a NMM gathering.
