Traverse City Water Treatment Plant Tour

Thursday, 20 October 2016 at 10:00 a.m.

Ever wonder how your city drinking water is treated before you drink it? Meet with us for a tour of the Traverse City plant and learn what goes on between the water source and your faucet. The tour will last about one hour.

Directions:

The plant is located at 2010 Eastern Avenue, Traverse City.

From downtown Traverse City:

Drive east on Front St. to Garfield and turn left.

Continue north and drive to Eastern Avenue (the first stoplight).

Turn right and drive about 1 mile to the plant on right.

Because of security concerns, some restrictions are in place:

All individuals on the tour must show a driver's license or photo I.D.

No photography allowed.

Please contact Stan Cain if you plan to attend. 231 938 1506 or sdc-men@yahoo.com

Elizabeth Kane Buzzelli at the September Brunch

Our September brunch was fairly well attended as we gathered to hear local author Elizabeth Kane Buzzelli speak. Elizabeth (middle right) talked about and read from her latest book, ***A Most Curious Murder***, the first of a new series of mystery stories. Elizabeth also answered questions about her writing, sources of inspiration and books and publishing in general.
